

Contactless & COVID Safe Healthcare Solutions

Leveraging smart touchpoints to deliver safe contactless solutions that improve patient experiences with registration, wayfinding, and ancillary services

Grow Engagement

Leverage mobile devices for experience activation and increase awareness for service offerings.

Improve Customer Support

Optimize experiences to drive brand engagement, grow adoption of new offerings, and streamline feedback.

Drive Awareness

Upgrade communication engagement to mobile first with 24/7 engagement.

What We Do in the Healthcare Sector

QWASI provides a flexible contactless management platform that drives visitor and patient engagement with intelligent mobile experiences for appointment booking, patient check-in, wayfinding, and support services.

SOLUTION INCLUDES

- ✓ REGISTER / CHECK-IN
- ✓ APPOINTMENT REMINDERS
- ✓ WAYFINDING
- ✓ SENTIMENT FEEDBACK

“QWASI provides us with the opportunity to connect with our patients in an innovative way.”
– Jim Care, Marketing at CHN

Grow Patient Engagement

- Drives brand engagement, acquisition, and mobile communication for real time experiences
- Segmented communication by visitor type, device, location, and language

Patient Intelligence

- Showcases macro and micro analytics for behavioral insights
- Provides the location, weather, and language for guest personalization
- Offers simple scalable administration for varying types of application management

One Powerful Platform

- Manages the complete end to end patient journey communication
- Implements experiences like mobile reminders, contactless check-in and chat for support
