

SMART CAMPUS SOLUTIONS

Contactless & COVID Safe

Upgrade schools and universities with smart contactless experiences. Leverage QWASI to enable both desktop and mobile responsive programs for wayfinding, check-in, signage, contactless ordering, support, and feedback.

Grow Engagement

Leverage mobile devices and desktop for experience activation to increase awareness for offerings.

Improve Support

Optimize experiences to drive engagement, grow adoption of new offerings, and streamline feedback.

Drive Awareness

Upgrade communication engagement to mobile first with 24/7 engagement.

What We Do in the Education Sector

A software CMS for touch free asset and mobile experience management.

SOLUTION INCLUDES

- ✓ SMART TOURS
- ✓ WAYFINDING
- ✓ REGISTER
- ✓ MOBILE CHAT
- ✓ REPORT ACTIVITY
- ✓ SHOP & MOBLE MENU
- ✓ EVENTS / WORKSHOPS
- ✓ DONOR ENGAGEMENT
- ✓ FEEDBACK / REVIEWS
- ✓ SUSTAINABILITY

“QWASI provides us a COVID Safe way to connect with our communities to drive engagement, revenue and data insights.” – Nick LaMarca, Marketing at Fordham University

Grow Community Engagement

- Drives engagement, acquisition, and mobile communication for real time experiences
- Segmented communication by user type, device, location, and language

Location Specific Intelligence

- Showcases macro and micro analytics for behavioral insights
- Provides the location, weather, and language for personalization
- Offers simple scalable administration for varying types of application management

One Powerful Platform

- Manages the complete end to end student journey and communication
- Implements experiences like registration, wayfinding, check-in, tap to preview, workshops, hackathons, and chat for support
